

Event Participation at Aurangabad Bihar

Our team Real scholar society has been continuously working in tandem with the Development Commissioner (Handicrafts) and have been participating at the events sponsored by them. The ultimate goal of the Office of DC(Handicrafts), Ministry of Textiles, Govt. of India to showcase different products made by Cluster Artisans across India. Artisans are provided with technical / marketing know-how for making these products by implementing agencies which are partnered by DC(Handicrafts) for the upliftment of these Artisans.

Being an integral partner of the organization we always took part in the various exhibitions conducted by them. The below mentioned pictures are of the "Exhibition cum awareness program held at Aurangabad" Bihar from December 20th to 29th to showcase the skill of lac bangles endeavored by our artisans. At the venue two artisans namely Md Aamir and Sarwarul Imam have participated on behalf of our Real scholar society's cluster and shown their adroitness. Here are some glimpse of the event
