

Event participation at SIDBI SWAVLAMBAN MELA

An event was organized by Small Industrial Development Bank of India namely “Swavlamban Mela” from Date April 21st to 25th at Pragati Maidan New Delhi where artisans across different states have participated in the event which was held to enhance the skills of the artisans from different parts of the country to enhance them and to provide them a better platform to show their skill and to promote their products to the forum. We have also been an integral partner and have also participated with our 2 artisans namely Md. Mehmud and Md. Taslim have represented our team Real scholar society at the event and has presented the famous lac bangles of Bihar Muzaffarpur district to the people and we sensed a good response from the local Bihari diaspora and other inhabitants there which was a very lucrative exposure visit for our artisans as they have learned a lot to enhance their skill designs and further ameliorate themselves to gain a good response afterwards
